

Guitar

Thank you for the opportunity to offer instruction to you and/or your family.

Some materials are needed for this class including a guitar, method book (note Thurs classes uses different book than Fri/Sat classes), digital tuner and a music stand. These items are available for purchase at Vibe. We recommend purchasing these materials before the first day of class. Electric guitars are allowed without amplifiers (due to the noise level).

Vibe is dedicated to providing quality in performing arts instruction. Our goal is to create for our students a warm, supportive environment as they grow to discover their full potential through creative expression. We strive to build a positive influence in student's lives, building self-esteem and confidence regardless of their abilities, while upholding honest values working to perform with integrity with attention to detail and consistency.

If at any time you have a question or concern regarding our policies, please feel free to speak with one of our front desk representatives.

Finally, we ask that a parent or guardian accompany each student (if under 18) for part of the first class, as important paperwork and information will be given. Please feel free to call us with any questions or if you need directions, at (661) 255-7464. Otherwise, we look forward to meeting you soon!
