

# Singing

Thank you for the opportunity to offer instruction to you and/or your family.

Some materials are needed for this class including Andrea Vibe Singing Exercise CD and a Karaoke CD or Book w/CD combo of the song the student selects to sing. These items are available for purchase at Vibe. We recommend selecting your song after the first class with the instructor's guidance.

Vibe is dedicated to providing quality in performing arts instruction. Our goal is to create for our students a warm, supportive environment as they grow to discover their full potential through creative expression. We strive to build a positive influence in student's lives, building self-esteem and confidence regardless of their abilities, while upholding honest values working to perform with integrity with attention to detail and consistency.

Finally, we ask that a parent or guardian accompany each student (if under 18) for part of the first class, as important paperwork and information will be given. Please feel free to call us with any questions or if you need directions, at (661) 255-7464. Otherwise, we look forward to meeting you soon!
