

# *The Jim Sum Trio*

This two-time Grammy award and Dove award winner is an exceptional musician. Jim is a composer, producer and musician that has created and performed various projects from feature films, television specials, and thousands of live performances. As a studio guitarist, he is in top demand for television, feature films, and the recording industry. With the ability to play nearly any genre, Jim is well known for his extensive knowledge of music, and is always happy to lend his expertise!
